

BRCLL Survey Results Presentation, May 10, 2018

BRCLL Survey Results Presentation

Come and hear the results of the BRCLL Survey that was conducted last fall.

Thursday
May 10

12:00 - 1:00 p.m.

BRCC, Patton
Building, Room 150

Cost: No Charge, open to members and guests.

Ever feel you'd like to be better informed about your fellow BRCLL members – things like their favorite subjects, level of education, preferred number of courses per term, proportion who live here year-round, and more? If so, please join us to hear Steve Schleifer, Chair of our Outreach and Engagement Committee and a career marketing researcher, share with you the results of the survey which was conducted last year.

Over one third of our members completed the survey and provided much valuable information about themselves, their program preferences – and much more. Please join us if you would like to hear what we learned and be able to comment, ask questions and make suggestions.

There will be no charge to attend this presentation. Please feel free to bring your lunch if you'd like to – and we will provide dessert.

We would ask you to let Terri know if you plan to attend (phone **694-1740** or email **tk_wallace@blueridge.edu**) so we can make sure that we have enough goodies to go around!
